Choosing Your Major Worksheet

Information Source	First Choice	Second Choice	Third Choice
Calculate the average rating of required courses from the Hanover College Catalog (including cognates): 1) Select all the specific courses in a major you would take if you were registering for them today, including cognates, 2) Rate each on a scale of 1-10, and 3) Divide by the total number to come up with an average "score". 4) Repeat for each major you're considering.
