WORK & LEADERSHIP EXPERIENCE

Perella Weinberg Partners

May 2017-August 2017

Summer Analyst, Private Capital

- Performed role as an analyst within the private capital team as part of the outsourced CIO platform.
- Analyzed the industry and geographic exposures for multiple private capital funds in response to new business Requests for Information (RFIs) and ad hoc client requests.
- Participated in manager research meetings spanning venture capital, private real estate, private infrastructure, and private equity.
- Actively managed and updated the weekly private real assets pipeline report for use in investment team meetings and client reports.

East Indiana Area Health Education Center (EI-AHEC)

July 2016 – September 2016

Intern

- Structured a survey of region-wide university health professionals focused on workforce supply and demand.
- Developed a system for sorting and matching students graduating with various degrees and certifications in healthcare with the number of existing and anticipated vacancies across a range of area hospitals and other health care employers.

Hill-Rom Holdings Inc.

January 2014 – August 2014

Treasury Intern & Mentorship Program Intern

- Observed the daily routine of handling the company's finances in both domestic and international accounts and its exchange in different forms of currency.
- Witnessed Hill-Rom expand business through the acquisition of Trumpf Medical in the summer of 2014 for \$ 250 million, working alongside global staff leaders who completed the deal.
- Augmented treasury experience with the completion of daily duties within the internal audit, sales, finance, human resources, and accounts payable sectors.
